FREE Advertising for Your Business

Ubiquitous Guest WiFi and Ad Network

We're building a WiFi Zone in your community and we're looking for locations to join!

Benefits

- **Easy and convenient** for your customers in the zone.
- **Attracts new customers** into your location from adjacent area.
- **Cross-promote to new customers** from other zone locations.
- **Our equipment protects** your POS systems from hackers.
- **Update your ad** anytime you want.
- **Engage with existing customers** and offer a value-added service.
